## NEWSLETTER 11 NOVEMBER 2016

Dear parents,

### EARLY CLOSURE

School closes at 13:00 until the end of term (and 12:30 on Fridays) for all grades 1-7.

There will be no Homework Hour, Extra-Murals or Sports practices for the remainder of the term, except for some matches by arrangement.

We have an expectation that all boys will be collected at 13:00 daily.

### BROTHER OF THE WEEK

This week Arlo Johnson earned the award for outstanding contribution towards assisting the staff in the After Care Department.

### PREFABRICATED CLASSROOM

There has been much talk of the prefabricated classroom that was delivered and placed at the back of the school (in front of the Sports Office). The school has been one classroom short, which each year results in a shuffling of staff and learners to accommodate a larger number of boys into 3 classes or regroup 3 classes into 4 groups. The prefabricated classroom will serve as a temporary classroom while we get to work on the additional wing above the Foundation Phase corridor. It has not yet been decided which grade will utilise this facility.

### WATER RESTRICTIONS

The Level 3 water restrictions that were implemented from 1 November and as a result the City Council has advised that we may not water our fields. We have applied for an exemption as we had planned to start extensive work on the fields in preparation for 2017.

### SCHOOL & LEISURE SHOP

As of 1 December the School & Leisure shop will be located in the Main Centre in Rondebosch directly above Pick 'n Pay. The shop in Wynberg will be closed on 29 & 30 November while they move stock over. Further information is available in the Resources section of the D6 Communicator.
