

WYNBERG CAMPUS OF SCHOOLS

Wynberg Girls' Junior and High Schools
Wynberg Boys' Junior and High Schools

15 August 2018

Dear Wynberg parents/guardians

The Western Cape Education Department has given notice that they will use the four Wynberg schools at the end of the year. This has been ratified by the governing bodies of the four schools. The department officials will move into the high schools on 29 November and the junior schools on 1 December.

We, therefore, give notice that the schools will close for learners on the following days:

Wynberg Girls' HIGH School - Tuesday 27 November after the evening Awards Ceremony

Wynberg Boys' HIGH School - Wednesday 28 November

Wynberg Girls' and Boys' JUNIOR Schools - Friday 30 November

Each school will provide further details of Awards Ceremonies, collection of reports and other activities closer to the time. Staff will still be on duty until all administrative work for the year and planning for next year has been completed. However, parents and learners will not be able to enter the school premises during this time, unless special arrangements have been made for a particular appointment.

The early closure will give learners a holiday of a similar length to the usual end of year break as the official dates (13 December 2018 – 9 January 2019) are an unusually short break of only four weeks. We understand that this is not ideal for all parents but trust that giving you early notice of this school closure will give you time to plan.

Yours sincerely
