

Dentention

By Khangelani Ndlebe (6A)

Detention is boring I must say
Staying in here for two hours no way.

It's too long, it's too weird
The boy in the corner sheds a tear.

I can't stand this anymore
The pain is like someone kicking my core.

So many words, so many questions
Why did I end up in detention.

Writing out all the question lines.
It's like I'm a traffic cop writing a fine.
